## Game Show *MANIA*

Game shows are not just on TV!

We provide everything but the contestants.

Our high-tech game show entertainment system has it all - zany sound effects, real digital scoring and a lightening fast electronic lock-out system.  
(first contestant to hit the button guesses the answer)

We can provide a custom **Game Show** for any event!

With **Face Off**, or our 4-player "Jeopardy"-style setup, you can play all kinds of games! You can play individually or feud-style as teams. Questions can be about any topic: History, Sports, Religion, Science, Geography, Trivia - *or anything else you can imagine!*
