FLORIDA MOBILE ENTERTAINMENT GROUP

presents

Game Show MANIA

Game shows are not just on TV!

We provide everything but the contestants.

Our high-tech game show entertainment system has it all -
zany sound effects, real digital scoring and a
lightening fast electronic lock-out system.
(first contestant to hit the button guesses the answer)

We can provide a custom **Game Show** for your school fundraiser!

With **Face Off** or our 4-player "Jeopardy"-style setup, you can play all kinds of games! Students can play individually or feud-style as class teams. Questions can be about any topic: History, Sports, Religion, Science, Geography, trivia about your school- *or anything else you can imagine!*
